RE: Landscape services

Dear Mr. Aydelott,

The Kent WA Facilities Management Group is an organization comprised of 18 meetinghouses located between West Seattle and Buckley.

Over the past eight years, Pristine Landscape has maintained the lawns, bedding areas, and trees for each of these facilities. Their level of professionalism and attention to detail has helped us maintain an image of dignity and respectability in the residential neighborhoods where these buildings reside.

We have been pleased with our working relationship with Mr. Aydelott and his crew. They have been quick to respond to suggestions and willing to take on "special projects" as needed. I recommend wholeheartedly the services of Pristine Landscape to potential clients and customers.

Sincerely,

Richard S. Wells
Facilities Manager
