Pristine Landscape has been providing landscape and maintenance services for the Madera Homeowners Association for over five years.

They have been very responsive to our special needs of taking care of the common areas - the Japanese garden and the rose garden, as well as other areas in this 62 home community.

We highly recommend their services.

Richard Hoffmeister
Garden Committee Chairman

A handwritten signature in black ink, appearing to read "Richard Hoffmeister". The signature is written in a cursive style with some loops and flourishes.
